PETALING JAYA: Mesiniaga Bhd has accepted a RM10.22 million letter of award from Universiti Sains Malaysia (USM).

In a filing with the stock exchange it said that the contract is for the supply, delivery, installation, configuration, testing and commissioning of “Core Switches, Distribution Switches, DDI Solution and IPv6 Implementation” for the Centre for Knowledge, Communication and Technology, USM.

The contract is for a period of two months from June 19, with a one-year maintenance period.
