Working experience and occupation	Mr Chua Seng Teong is an accomplished business leader with more than 20 years of experience in digital transformation, strategy, and operations across the technology, energy, and venture capital sectors. Prior to his appointment as Deputy Chief Executive Officer of Mesiniaga Berhad, he served as Managing Director of ChargeEV, where he led three regional offices and successfully transformed the company into a high-performing enterprise. During his tenure, he demonstrated a strong commitment to innovation and sustainability within the energy and utilities industry. Before joining ChargeEV, Mr Chua was the Regional Director for Southeast Asia at Ikano Insight, a data-driven customer insight and advanced analytics agency established by the founder of IKEA. In this role, he was responsible for general management, P&L performance, team development, and stakeholder engagement, and successfully established the regional office. He previously led the retail transformation team, TipTop, at PETRONAS Dagangan Berhad as General Manager, where he introduced digital tools and IoT solutions, streamlined operational processes, and optimised assets across more than 1,000 franchised fuel stations nationwide. In addition, Mr Chua has venture capital experience, having invested in multiple high-growth technology start-ups under the Sunway Group. Earlier in his career, he co-founded Verve Technologies as Chief Marketing and Strategy Officer. He held strategic, commercial, and operational roles at Rebate Networks GmbH, a Germany-based global venture capital company, Kreateevee Sdn Bhd, Maxis Berhad, and Nokia.
